EXPERIENCE

Kubrik Digital

Sep 2022 - Present
I'm currently working at Kubrik
Digital with Angular but also
learning React.

EDUCATION

- Platzi

2021 - Present

Platzi is one of the largest online
professional education platforms in
LATAM. These are some of my
certificates:

- [ECMAScript 6+](#)
- [Asynchronous JavaScript](#)
- [React.js](#)
- [Git & GitHub](#)

- Instituto Roberto Arlt

2015 - 2020

High School, economic orientation.

PROJECTS

- GPTherapist (2023)

OpenAi's GPT-based therapist
trained with experienced
psycologist data
https://gptherapist.vittoriop.dev/

- NFTorio (2021/2022)

NFTs marketplace dedicated to sell
images and metadata I make and
upload to the blockchain.
https://nftorio.vittoriop.dev/

ABILITIES

- Angular, React, Next.js
- Firebase, Git, Bootstrap

LANGUAGES

English: Coursing the 6th year at
BAEnglish House, next year I'll do the
First Certificate (B2)

ABOUT ME

I am a person who learns easily and
isn't afraid to ask if I'm doing
something wrong.
